CURRENCY CONVERSION:

You can use your Bank ATM card or Debit MasterCard® in a currency other than US Dollars. MasterCard International Incorporated will convert the charge into a US Dollar amount. MasterCard International transaction fees are itemized into two categories and disclosed separately from the actual transaction. A currency conversion fee of 0.2% is charged for any foreign transaction that is conducted in foreign currency. This fee does not apply if the transaction is in US currency. An international fee of 0.9% is charged for cardholder transactions occurring outside the United States, regardless of any currency conversion.

* Please note, if we return an item NSF it will likely be automatically resubmitted by the financial institution the item was drawn on and potentially could result in an additional per item Overdraft/NSF Fee when resubmitted if the amount of the item still exceeds the amount of available funds in your account.
