

This bank is pleased to offer you this Truth in Savings disclosure, which describes some basic facts about the Vibe checking and savings accounts available at the Bank. By opening and maintaining an account with the Bank, you have agreed to these terms, so you should read this thoroughly. We sincerely appreciate your business, and if you have any questions, inquire at any Bank office or call us at the number shown below. If this disclosure was given to you in connection with an inquiry, the Interest Rate and Annual Percentage Yield (APY) is a rate that is accurate as of the date shown in Section B of this disclosure. To obtain the most recent rate information, contact any Bank office at 877-682-0334 during normal business hours or online at greenfieldcoopbank.com.

Section A General Terms

1. Accounts Covered and Minimum Balance Requirements:

Vibe Checking:

- A non-interest-bearing checking account which requires a \$10.00 minimum deposit to open.
- Streaming service credit of up to \$15 per statement cycle for the first 15 months.
- Streaming services include only Hulu, Netflix, Paramount+, Disney+, Max, and Spotify. Purchases made through a third party will not be eligible.
- Streaming service credit requires an aggregate direct deposit in the amount of \$500 each statement cycle, no streaming service credit if deposits do not meet the required \$500 or if no direct deposit during the statement analysis.
- GCB will provide a credit in the amount up to \$15 for streaming services paid using your GCB Debit Card attached to your Vibe Checking account. For example: If you pay \$10.99 a month for Netflix and \$7.99 a month for Disney+, you will receive a streaming service credit of \$15. If you pay \$10.99 a month for Netflix, you will receive a streaming service credit of \$10.99.
- Payment for annual streaming services subscriptions do not qualify.
- This credit will show on your statement with the description "Streaming Service Credit". When the streaming services credit qualifications are met, the credit will be posted to your account within 45 days following the statement cycle credit was earned.
- If you do not qualify at any point during the 15 statement cycles following account opening, you will NOT receive the streaming service credit for that statement cycle. Vibe Checking credit Scenarios: 1) You open your Vibe account April 1, 2025, and qualify for the streaming service credits consistently for 15 months. At the end of the promotional period, June 30, 2026, you will have received 15 streaming service credits. 2) You open your Vibe Checking account April 1, 2025, but do not qualify for the streaming service credits until May 1, 2025. At the end of the promotional period, June 30, 2026, you will have received 14 streaming service credits. 3) You open your Vibe Checking account April 1, 2025, and qualify for the streaming service credit for the remainder of 2025. In January 2026, you have no monthly direct deposit requirement, you will not receive the credit in February. If you then subsequently qualify in February and continue to qualify each calendar month, you will receive the streaming service credit until June 30, 2026. At the end of the promotional period, you will have received 14 streaming service credits.
- If the account is closed before credits are posted to your account, the credits will be forfeited.
- Your credits may be reportable to the IRS, GCB will report these amounts on Form 1099-MISC.
- Limit of one (1) account per customer for streaming services credit.
- Enrolling in GCB Online Banking is required for this account to access your electronic statement, see section 12 below. Paper statement fee \$5.00.
- Account receives five (5) free non-bank owned ATM* transactions per statement cycle (other banks' surcharge fees may apply). *Only US ATM locations.

Vibe Savings Accounts:

- A variable rate interest bearing account which requires a \$10.00 minimum deposit to open.
- Vibe Savings account is only available to Vibe Checking customers. Note: If your Vibe checking is closed your Vibe savings account will be changed to a statement savings account at the current statement savings account interest rate and annual percentage yield (APY).

- Enrolling in GCB Online Banking is required for this account to access your electronic statement, see section 12 below. Paper statement fee \$5.00.
2. **Interest Rate and ANNUAL PERCENTAGE YIELD (APY):** The interest rate and annual percentage yield (APY) are listed in the chart in Section B. The Interest Rates and Annual Percentage Yields (APY) are variable and may change after you open an account. At the Bank's discretion, we may change the interest rate of your account; this interest rate is established by the Bank on various economic factors. There is no limit on changes up or down. The interest rates are reviewed daily and are subject to change at any time without notice.
 3. **Frequency of Compounding and Crediting of Interest: (Vibe Savings)** The Bank compounds interest monthly and interest is credited monthly provided you keep at least the minimum balance required in your account through the interest posting date. If you close your account before the date of interest posting, you will not receive any accrued interest for that monthly cycle.
 4. **Minimum Balance Requirements to obtain the Annual Percentage Yield ("APY") disclosed:** You must maintain the required minimum daily balance shown in the Chart in Section B. If your balance drops below the minimum balance shown in the Chart in Section B you will not earn any interest for those days your account is below the required minimum. If you close your account before the date of interest posting, you will lose any interest earned for that period. Please note, if your account has a zero-dollar (\$0.00) balance for two (2) consecutive statement cycles the account will automatically close.
 5. **Balance Computation Method:** We use the daily balance method to calculate interest on your account. This method applies a periodic rate to the principal in the account each day.
 6. **Accrual of Interest on non-cash deposits:** You will begin to earn interest on all deposits of checks or other non-cash deposits upon the day that the Bank receives provisional credit for your deposit from the Federal Reserve Bank or other correspondent Bank. Any delay in us receiving this provisional credit will lead to a reduction in the APY earned on that deposit from what is disclosed for your account.
 7. **Joint Accounts:** If this account is opened in more than one person's name (and not otherwise designated as a trustee account, custodial account or business entity account), it is a joint account, so all deposits in the account are the property of all of the persons indicated on the account, and these funds are subject to withdrawal by any one of you or the survivor(s). The Bank may release all or any part of the amount in the account to honor checks, withdrawals, orders, or requests from any person named on this account. In the event of any overdrafts on a joint account, the joint depositor(s) agree that each shall be personally liable for the overdrafts in the joint account, irrespective of: (i) which of the owners created the overdraft, (ii) whether any owner had knowledge of the overdraft, (iii) whether they were involved or participated in activity in the account, or (iv) whether that owner derived any benefit from the overdraft.
 8. **Beneficiaries on certain accounts:** As a courtesy, the bank does allow beneficiaries to be listed on certain accounts. The bank may from time to time establish rules surrounding access to funds by beneficiaries which are subject to change. Currently the bank allows multiple (no more than 4) beneficiaries to be listed, which will be shared equally. All beneficiaries must be present and paid out simultaneously. The Bank will allow for limited exceptions for special circumstances (determined in the sole discretion of the bank).
In any event, upon calculation, payment, and receipt of said funds by any beneficiary, the beneficiary shall not be entitled to any future earnings, if any, on any remaining balance in said account(s).
 9. **Deposit Policy:** Withdrawals of any deposits you make are governed by the terms in the "Funds Availability Disclosure" brochure which was given to you when you opened your account [additional copies are available at any Bank office]. All items deposited by you shall be provisionally credited by the Bank to your account, subject to final collection and receipt of funds credited to the account of the Bank. For checking type accounts, collected funds to cover any checks drawn must be available, as provided in the Funds Availability Disclosure, when your check(s) is presented for payment, or the Bank may refuse payment and charge your account. You agree not to write any post-dated checks and agree that the Bank is not liable for payment of any post-dated check. Any checks or items deposited that are returned unpaid for any reason will be deducted from your account. You agree to pay the Bank a fee for any such check or item which is returned (see current fee schedule). The Bank may also collect any amounts due to us because of returned checks, through the right of Set-Off, from any other of your accounts at the Bank, or collect the funds directly from you.
 10. **Overdrafts:** Under this deposit agreement and applicable law, the Bank may choose to pay any check or other "payment order" you may originate that is properly presented against your account, even if paying that check or payment order results in overdrawing your account. Examples of a "payment order" includes any checks you write, any in-person withdrawals from a teller, any ATM withdrawals you make, any debit card payments at a merchant, any GCB Online

Banking Bill Pay order, or any other electronic means of accessing your account as applicable. For consumer accounts only, if you have not affirmatively “opted-in” with us in writing (either at account opening or at a later time) then our Overdraft Privilege will not cover ATM and/or Debit card transactions. Overdraft Privilege for consumers will still include checks and other items presented against your account. This Overdraft Privilege service is entirely discretionary with the Bank. Please note that the Bank is not obligated to pay any item that causes an overdraft but may do so in the Bank’s sole discretion.

We reserve the right not to pay any payment order that results in an overdraft even if your account is in good standing and even though we may have previously paid overdrafts for you. For example, we typically do not pay overdrafts if you are not making regular deposits to cover your normal activity, or if you have too many overdrafts or the overdrafts in total are more than \$500.00. There is a fee for each such payment order that overdraws your account (please refer to the current fee schedule for this charge). Also, please note that if we return an item NSF it will likely be automatically resubmitted by the financial institution the item was drawn on and potentially could result in an additional per item Overdraft/NSF Fee when resubmitted if the amount of the item still exceeds the amount of available funds in your account. This Overdraft Privilege service may be withdrawn or withheld by us at any time without prior notice or cause.

- 11. Set-Off:** To the extent permitted by applicable Massachusetts state and federal laws, you agree that we may, without prior notice, set-off the funds in your account, against any due and payable debt owed to us now or in the future, by any of the owners of the account, to the extent of that owner’s right to withdraw funds from the account. We will not be liable for the dishonor of any check or electronic payment when the dishonor occurs because we set off a debt against your account.
- 12. Monthly Statement:** The Bank will provide you with an eStatement each month; you will be notified by email at the email address on file with the Bank. To access your eStatement you must log in to GCB Online Banking. You may request to receive a paper statement mailed to you each statement cycle instead of receiving an eStatement; there will be a fee of \$5.00 for each statement mailed (If you receive separate Vibe checking and Vibe savings statements, there will be a \$5.00 fee for each).
- 13. Checks: (Vibe Checking only)** All negotiable paper (called “checks”) presented for deposit must be in a form supplied by or previously approved by the Bank. The Bank may refuse to accept any check that does not meet this requirement, or which is incompletely or defectively drawn.
- 14. Stop Payments: (Vibe Checking)** At your request and risk, the Bank will accept a stop payment order on these accounts. For each stop payment there is a fee charged (Please refer to the current fee schedule for this charge). Written stop payment orders for checks are good for 6 months and must be renewed thereafter or the check may be paid. Written stop payments to Automated Clearing House (ACH) transactions will be stopped unless otherwise revoked by you or until payment of the entry has been stopped, whichever occurs first. Written ACH stop payments for business accounts are good for 6 months unless renewed in writing.
- 15. Other Fees:** Please refer to the Fee Schedule for details.
- 16. Withdrawal & Notice Requirements:** Per Federal Law, the Bank has the right to require seven (7) days notice of withdrawal from any savings or NOW product. The Bank may also refuse a withdrawal request if: (i) the funds were deposited by a check not drawn on GCB/NCB and the funds were not yet available for withdrawal; (ii) any document or identification required by the Bank or the law in connection with a withdrawal has not been presented; or (iii) you do not present your proper form of withdrawal ticket, check, or passbook (as applicable) to the Bank.
- 17. Miscellaneous:** This Agreement is governed by the laws of the Commonwealth of Massachusetts, except where Federal Law is controlling. The Bylaws of the Bank are incorporated by reference and made part of this Agreement. The Bank reserves the right to refuse any account and to terminate the deposit account at any time without notice.
- 18. Amendments/Questions:** The account terms and conditions as outlined herein are subject to change without notice. In the event you already have an existing account with the Bank, we will notify you of any changes to your account thirty (30) days in advance of the effective date of any changes as required by law.
